

The AIM MEMBER NEWSLETTER

Going strong for 90 years!

Dubuque, Iowa - In 1933, employees of a utility company decided to pool their money together in order to provide an affordable banking solution for their coworkers. They listened to the financial needs of their coworkers and chartered a credit union to answer those needs. Depositors were members/owners of their credit union.

In the 90 years since, we have continued to listen to the members' voices. The staff and board focus on what members want as they create services and set rates.

Today, AIM Credit Union (ACU) is the largest closed field of membership credit union in the state of Iowa with five branch locations throughout Eastern Iowa. All our members are connected through an employer or their family. We have stayed focused on serving specific groups of employees so we can offer the best services and rate structures for our members' needs.

To ensure ACU keeps going strong for the next 90 years and beyond, we continue to offer new products and services and invest in new technologies, in a safe and sound manner, to meet our members' needs.

We have continually introduced unique loan solutions to help our members as well as offer traditional services like share and checking accounts, Christmas clubs, health savings accounts, CDs, mortgages, and a variety of consumer and business loans.

Additionally, we have stayed at the forefront of the industry by offering online and mobile banking, text messaging, SPARK! bill pay, SavvyMoney free credit tracking tool, and Elite Rewards Mastercard.

ACU has an impeccable record when it comes to our yearly third-party audit and state regulatory inspections. ACU Belongs to the National Credit Union Association, so our members' deposits are federally insured up to \$250,000 per individual depositor.

As a member at AIM Credit Union, you are an owner of a not-for-profit financial cooperative. Our priority is your financial success and security.

Thank you for your membership and trust,

Mike Moroney, President and CEO
